AND

Panchakshari Shivacharya Trust's, **Channabasweshwar Pharmacy College** situated at **Latur, Maharashtra**, (hereinafter referred to as "**Institute**" which expression shall mean and include all its administrators, assignees, agents, successors and legal representatives) of the Other Part. Students enrolled and studying various courses with the "Institute", hereinafter will be referred to as "**Student**".

SHODH and the **Institute** hereby agree to promote the academic exchange and the research cooperation between the two parties.

Alms and Objectives of proposed MoU:

1. To excel in acquisition of knowledge and its dissemination.
2. To share human resources/expertise and skills.
3. To share infrastructure for mutual growth and progress.
4. To promote capacity building among students and teachers.
5. To promote scientific temperament among the students and community.
6. To involve in outreach activities for the benefit of the society.
7. To share the research activity and research trainings.
8. To develop and generate employability in students and offer opportunities.

Area of Interest:

1. Faculty Development by mutual sharing of academic expertise and joint research programs.
2. Capacity building among students of this college by completing add-on courses conducted by SHODH.
3. Visits to specialized Analytical Laboratory of SHODH by students of this college for acquisition of knowledge and promotion of awareness and scientific temperament.

1. Mutual Sharing of Academic Expertise:

1. Need-based faculty sharing for delivering lectures on special topics on some mutually agreed minimum remuneration.
2. This college can make available specialized faculty from pure sciences for teaching and syllabi framing or literature writing.
3. SHODH staff can deliver talk to college students at post graduate and under graduate level and to students registered for research.

2. Faculty Development:

1. Research: Access to faculty members of the college to SHODH Library.
2. Permission to faculty members of the college to use SHODH's laboratory instruments for analysis on payment of fees (to cover recurring expenses).
3. Collaborative work on research projects particularly concerning the needs of the society.
4. Joint research programs between SHODH and College faculty.
5. Collaborative work to identify soil and water parameters for its quality.
6. Student registering for Ph.D. can be jointly guided by faculty from SHODH and the College.

3. Capacity Building among Students:

1. **Employability Development:** Conducting short term special courses like Water Analysis, Chemical Analysis of Drugs and Drug Intermediates and Instrumentation in Chemical Analysis for the college students by SHODH on mutually agreed minimum fees.
2. Permission by SHODH to allow visit of students to Analytical Laboratory for awareness and promotion of interest.
3. SHODH faculty can extend technical expertise for setting up of laboratories for Analytical Chemistry.

4. Scientific Temperament and Awareness:

1. SHODH and the College can jointly organize programs for students on career opportunities in Science and Technology.
2. Jointly organizing camps for jobs to students from these two institutions.

This MoU will give an impetus to faculty development of both the parties and will immensely benefit the students in capacity building. Research will also get an impetus with far reaching consequences. The MoU will provide both the parties to fulfill their social obligations through outreach activities.

This agreement shall be effective for the period of five (5) years from 09th April, 2018. Any renewal of revision or termination of the agreement shall be discussed by the representatives of both parties two months prior to the end of the current period; otherwise it will be automatically renewed for the additional five years period thereon.
