Respected sir

With reference to above mentioned subject and with all sense of consciousness and also being a responsible individual of this organization here we would like congratulate collectively to each other principal and management for the successfully completed one decade and now at the being of second decade with full enthusiasm and zeal. In last decade our organization achieved many medals, awards and target as per the road map designed at the inception.

As a part of corporate social responsibility to maintain clean environment and eco-friendly practices we implemented many policy which is directly or indirectly benefited for controlling environmental pollution. In this line here we would like to suggest having plan for implementation of full holiday on every 2nd (Second) and 4th (Fourth) Saturday by that we can reduce the energy consumption, transportation burden and utilization of quality time culture at work place. Also it will boost the potential of student as well as staff members to complete assigned work at right time with proper utilization of 7M (Man, Material, Method, Machine, Money, Management and Measurement/Monitoring) principle approach at own site practically.

So, kindly consider the suggestion and try to consider implementing positively and support us to maintain greener, eco-friendly, and economical working environment at campus.
