**“EDUCATION BEYOND ACADEMICS: HOLISTIC DEVELOPMENT A WAY TO ENDEAVOUR FUTURE”**

As visible from vision and mission statements, the College has adopted the unique practices as institutional distinctiveness related to scientific attitude, faculty affluence and social accountability aiming at holistic development of students to endeavour the excellence in education. College is committed to provide transforming education, through the journey that extends beyond the classroom.

Following practices were commenced and implemented for overall development of students and staff.

### **Student Progression:**

The Principal and Heads of Departments has to initiate the planning, implementation, monitoring, reporting, and action-taking processes for participative activities and research contribution with the aim of fostering the students' progression. The College is ready to attend various needs of excellence in education and welfare of the society as per the current professional demand. At the beginning of academic session Career Guidance Cell is planning expert sessions for students appearing for various National Level Aptitude Tests like GATE, GPAT, NIPER Entrance, MAH MBA/MMS-CET and PTE etc. to enrich and enhance their willingness for their future career in advance. Our students are educated for financial literacy related to the understanding of basic financial skills and concepts and how to overcome these challenges and live comfortably in the future. In this regard a collaborative event with SEBI certified resource person were organized for students periodically. The students are facilitated to work on relevant problems related to society, industry through minor and major projects. Students have participated in Avishkar as well as various National and International Conferences and won prizes. Our sports committee encourage students to get involve and participate in various sport events.

Some of our key achievements;

- 86 students of the college have qualified higher examinations like GPAT and GATE.
- 31 students have qualified and admitted in different NIPER Colleges.
- One of our students has qualified in Pearson test of English (PTE) academic.
- 206 students have acquired financial Literacy through Financial Education program.
- 51 of our students have participated in Avishkar Research Festival in all disciplines among them 22 have proved their remarkable performance by securing First and Second rank at District and University level Competition.
- 62 students have participated in State, National and International conferences.

In the last five years, our students have actively participated in various Intercollege, Zonal, Regional and College level sport and grabbed awards/ medals for their outstanding performance.

## **Faculty Development:**

Faculty members are the intellectual resource of our college. They have a significant role in shaping the career of young learners. Faculty affluence is the institutional initiative for strengthening the professional development and up skilling of faculty. Faculties were given opportunity to grow and progress in their roles and designations to maintain the academic integrity. The college has been always playing a leading role in shaping and supporting the educational policies of the SRTM University, Nanded. The College has received awards and recognitions from university, Government and Non-government agencies. The culture of scientific research imbibed in the College that has resulted in significant outcomes in the form of research grants, patents and publications.

Some of the distinct practices adopted by the College for faculty development;

- The college promotes the good grade performance and encourages the promotion in faculty cadre. In the last five years, ten faculty members are promoted to associate professor and two have been promoted to Professor at College level.
- With the institutional support some of our faculty completed their Ph.D. and some faculty members are pursuing their Ph.D. at our research centre.

### **Social Accountability:**

For the betterment of society our college has done many initiatives to fulfil the healthcare needs. As a pharmacist, our students took responsibilities as a patient counsellor and medical advisor for society. Our college has held diverse outreach activities to develop a sense of social responsibilities among students through NSS platform, initiated environment and energy conservation programs, blood donation camp and other activities such as visit to orphanage center, donations to HIV affected children. We conducted special awareness programmes on health and hygiene, mental health and importance of nutrition and diet to sensitize the various social issues and instil an altruistic approach in students towards society.

As a result of its social accountability, the college has appreciated by;

- Balchandra Blood Bank and Mauli Blood Center, Latur for donating the blood.
- Shrimati Kakshamibai Dhenkare MV Fattepur, Latur for Health and Hygiene awareness programme.
- Dnyansagar Vidyalaya, Hasegaon, Latur for Nutrition and Health awareness programme
- Municipal Corporation School No. 09, Latur for mental health Awareness program
- Latur District Collector, Latur for tree plantation
- Happy Indian Village, Aamhi Sevak, Latur for visit and cooperation to HIV affected children.

### **Outcome:**

As a result of these unique practices, performance by both students and staff has enhanced constantly. The number of students qualified for competitive exams such as GPAT, GATE, NIPER and other entrance exams has steadily increased. The significant growth in number of patents, awards in sports, academics research and diverse initiatives for well-being of society has been observed.

## A. Student Progression

### 1. Excellence in Education:

The students are trained not only for curriculum related topics but also exposed to soft skills, communication skills and personality development trainings.

In addition, periodic visit to the pharmaceutical companies and interaction with the pharmaceutical stalwarts from academia as well as industry is arranged to groom them as per the current professional demand.

The Faculty of Pharmacy endeavors to disseminate the knowledge and understanding of pharmacy as a way of producing top-notch pharmacists, who are ready to attend to the various needs of the industry for the welfare of the people.

### 1.1. Career Guidance cell: Competitive Examination

At the beginning of academic session career guidance cell is planning expert sessions for students appearing for various National level examinations such as GPAT, GATE, NIPER etc. to enhance their scope for their professional career so that they can plan their career systematically in advance.

Under the cell notifications, schedules are displayed, expert guidance sessions are organized to help the students to assess their suitability for further studies. Outside experts are invited to provide comprehensive and quality study material, various current approaches useful for exam preparation, relevant websites and guidance for students. Cell is preparing summary and submitting towards head to identify the gaps and forwarding it towards authority to incorporate into next academic planner.

### General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,  
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard  
M<sub>q</sub> is the qualifying marks for general category candidate in the paper  
M<sub>t</sub> is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)  
S<sub>q</sub> = 350, is the score assigned to M<sub>q</sub>  
S<sub>t</sub> = 900, is the score assigned to M<sub>t</sub>

In the GATE 2023 score formula, M<sub>t</sub> is 25 marks (out of 100) or μ + σ, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

\* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

**Organising Institute: Indian Institute of Technology Kharagpur**

**General Information**

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_1 - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,  
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard  
M<sub>q</sub> is the qualifying marks for general category candidate in the paper  
M<sub>t</sub> is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)  
S<sub>1</sub> = 350, is the score assigned to M<sub>1</sub>  
S<sub>2</sub> = 900, is the score assigned to M<sub>2</sub>

In the GATE 2022 score formula, M<sub>1</sub> is 25 marks (out of 100) or μ + σ, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

1. This electronically generated score card is the official result declared by NTA and does not require any signatures.
2. The NTA Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw marks) candidates. The NTA scores of a Candidate have been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the examination with raw marks EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared}}$$

NTA score is not the same as percentage of marks obtained.

3. A National Merit Ranking (All India Rank) has been arrived based on the Marks secured against Total Marks. In case total marks are same for more than one candidate, the ranking has been done on marks obtained in Pharmaceutics, Pharmaceutical chemistry, candidates having less negative responses and candidate older in age.

GPAT UNIT, NTA

1. This electronically generated score card is the official result declared by NTA and does not require any signatures.
2. The NTA Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw marks) candidates. The NTA scores of a Candidate have been calculated as follows:  
$$\frac{100 \times \text{Number of candidates appeared in the examination with raw marks EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared}}$$
- NTA score is not the same as percentage of marks obtained.
3. A National Merit Ranking (All India Rank) has been arrived based on the Marks secured against Total Marks.
4. The admission authorities are advised to use score awarded to the students for allotment of seat in the AICTE approved programs along with the other criteria that may exist, as applicable.
5. Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.
6. Instances of incorrect information provided by the candidates, if detected at any stage, would make the candidate liable for disqualification.
7. The responsibility of verifying the category of the candidate for ascertaining eligibility of admission and award of scholarship if any lies with the admitting institute
8. Qualifying in GPAT 2019 does not guarantee any automatic entitlement for admission to P.G. programme nor AICTE assistance under P.G. programmes
9. Any dispute concerning GPAT 2019 would be subject to Jurisdiction of the competent courts within the territorial jurisdiction

### 1.2.Financial literacy Program:

Financial literacy refers to the understanding of basic financial skills and concepts. College students who prioritize financial literacy will be able to overcome these challenges and live comfortably in the future. Because of the continuous rise of college costs, financial literacy programs have become necessary for college students to handle their finances. Hence to teach the students about financial literacy a collaborative event with SEBI certified Resource person were organized for UG, PG and Pharm D students are educated about the financial literacy.

### 3. Enhancing Physical Well-being

Incorporating physical activity into the school curriculum is a great idea that benefits students in many ways. Regular physical activity can help students improve their overall health, boost their mood and energy levels, and enhance their cognitive function. Being physically active can improve brain active, control weight, reduce the risk of disease, strengthen bones and muscles, and improve ability to do everyday activities.

#### 3.1. Participation in Inter and Intra-college Sport Activities

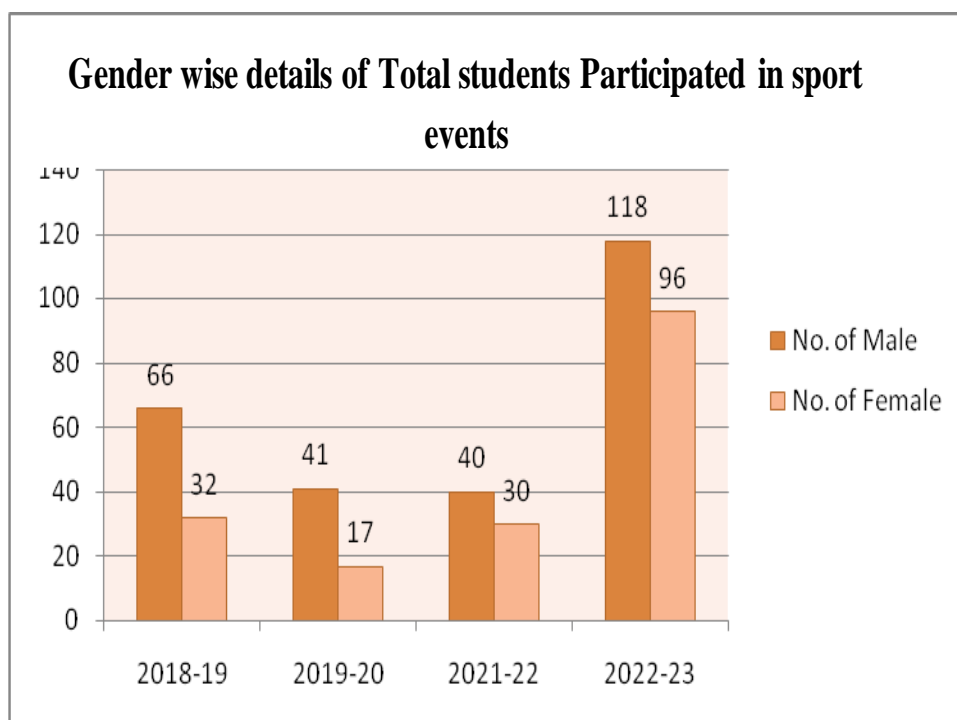

The main objective of sports activities is to understand the importance of sport in the pursuit of a healthy and active lifestyle at the College and beyond. In last five years, students participated in various intercollege, zonal and regional and institute level sport grabbed award and medals such as **Boys' team awarded as winner in Regional Level Cricket and Girls' volleyball team was awarded as best disciplined team.**

## B. Faculty Development

### 1. Faculty Affluence:

They should communicate this knowledge and the manner of its acquisition or discovery to their immediate community of scholars and students, to their institution, to their professions, and to society at large. Service to the institution, the community, the state, and the nation constitutes an important mission of faculty members. As a school of higher education with a commitment to excellence, the College of Pharmacy values teaching, scholarship, and service in their many forms. To be considered for promotion, individuals should have met expected levels of performance in these areas, in addition to fulfilling other requirements expected of a COP faculty member.

Teaching, research, clinical activities, committee service, administrative functions, special program management, contribution to staff development, leadership in community affairs, participation in scholarly and professional societies, membership on review panels, and consultation to government agencies and private entities are some of the professional roles worthy of recognition.

Date: 04/03/2021

To  
The Principal  
Latur-Parbhani Cluster Group

Respected Sir/Madam

As per the scheduled planning and road map approved from principals meeting (On 24 /02/2021) regarding conduct of WINTER-2020 EXAMINATION (through Latur-Parbhani Cluster head institute & group, SRTM University, Nanded) for B. Pharmacy Course [Semester-III/IV/V/VI and VII (for only backlog students)] hopefully mock drill for students consent form submissions successfully received to individual institute.

As part of our cluster planning for an **on-line mock drill test (50 MCQ at the level of 10<sup>th</sup> standard) scheduled on 5<sup>th</sup> March 2021 at 3:30 pm to 4:30pm on time bound manner as per SOP**. Kindly take the note and inform (as per the responses of students consent form) to all the students who are appearing for winter-2020 on online mode. The entire individual institute can assign mock drill tests to its own students only by a unique link given by the cluster head institute. It is also requested that, kindly don't share your link to another institute. The entire institute can monitor student's responses and accordingly can complete the trial successfully by free access to feedback regarding all kinds of trouble shootings.

Most respectfully, it is declared that cluster head institutes always stand positively to support and move as per the common suggestions received in concern to compliance of COVID-19 related regulations, current on-going situation and future limitations with respecting disciplinary guidelines given by University.

### Appreciation Letter

To,  
Principal,  
Channabasweshwar Pharmacy College (Degree),  
Latur

**Subject:** Appreciation letter for Mental Health awareness programme.

Respected Sir,

With regard to above mentioned subject, We are very much thankful to you and your team for conducting Mental Health awareness programme at our school. Your faculty members and students spent their valuable time with our students. They awared our students regarding physical and social mental health. Also, students were motivated regarding stress management and how to handle stressful conditions as well as explained about future educational scope.

We appreciate your support and cooperation.

Thank You.

  
Yours Faithfully,
