ANNUAL SPORTS REPORT 2021-22

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also. Either study or work alone makes us exhaust. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete. Our institute strives to excel at all levels and bring laurels to the college. With the help of college faculty we are continuously improving in sports field. Considering the concept of **“SPORTS FOR EVERYONE”** throughout the entire session we organized intra college (college level sports for students). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and tests one's physical capability. These competition also offer a break from the daily routine tasks and recreate or re-energetic them.

This report consist of Sports events organized by our institute i.e. Channabasweshwar Pharmacy College(Degree), Latur & Sports events participated by our students organized by Other Affiliated Institutions.
