This is about conducting a seminar/webinar in your institute. The Department for Promotion of Industry and Internal Trade (DPIIT), Government of India has launched the "National Intellectual Property Awareness Mission (NIPAM 2.0)" to impart training on IPRs to students at different levels. The pan-India ambitious mission aims to cover 780 districts across India (28 states and 8 UTs) to impart training to students on IPRs.

The mission aims to aware the students (8<sup>th</sup> class onward) about Intellectual Properties such as Patents, Designs, Trademarks, Copyrights and Geographical Indications. This awareness program will inspire the students of your institute to innovate and protect their creations. The program is free of cost and may be conducted in online/offline mode. The resource person will be provided by us and there is no limitation on the number of participants and sessions.

We humbly seek your cooperation in taking forward the mission (NIPAM 2.0). A line in confirmation on the above-said proposal is highly appreciated. To arrange the awareness program at your institute, the undersigned may be contacted at [mayur.ipo@gov.in](mailto:mayur.ipo@gov.in) or 7024410765.
